### **Equal Opportunity Statement:**

It is the policy of the Memorial Student Center to grant equal opportunity to all qualified persons without regard to race, color, gender, religion, age, sexual orientation, political affiliation, or national origin. To deny one's contribution to our efforts because he or she is a member of a marginalized group is an injustice not only to the individual, but to the MSC and Texas A&M University as well. It is our intent and desire that equal opportunity be provided to all in selections, awards, and review processes and all other privileges.
